## Security and protection management for human rights defenders and social organizations

### Admission criteria

People will be admitted onto the course based upon a criteria that, in the case of there being more applications than places, we would prioritise the participation of those people having the most potential impact on the security of human rights defenders.

#### **General criteria (for each particular criteria, the highest priority being<sup>1</sup>):**

- Type of Institution:
  1. Human rights defenders' organisations
  2. Other organisations (such as humanitarian, educational, etc.)
- South-north, individual-institution (we give priority to people working or collaborating in organisations, since we consider that they would have a higher potential impact on the security of human rights defenders)
  1. Institution from the "South"
  2. Institution from the "North"
  3. Person from the "South"
  4. Person from the "North"
- Risk level as a human rights defender:
  1. High
  2. Medium
  3. Low
- Registration order
